Commissioner Baldrige discussed the meetings he will be attending this morning pertaining to the Court Recovery Program and the proposed YMCA while the other board members and Commissioners-elect Stephen Caraway and Paul Worley attend the Adams Clermont Solid Waste meeting.

EMS Director Etta Sparks met with the board to submit the Squad Run report and radio upgrade to narrow band. The radios will be taken back to B&C Communications tomorrow because of programming problems. The squads will be taken individually because some of the radios cannot be programmed narrow-band.

Sally Hayslip met with the board to discuss the walk through for the heating & lighting bid, damages done to the jail facility by prisoners, and training in Lucas County for the new HVAC system.
