Whereas, Agricultural education and FFA ensure a steady supply of young professionals to meet the growing demands in the science, business and technology of agriculture; and

Whereas, the FFA motto - "learning to do, doing to learn, earning to live, living to serve" - gives direction of purpose to these students who take an active role in succeeding in agricultural education; and

Whereas, FFA promotes citizenship, volunteerism, patriotism, and cooperation,

Therefore, be it resolved, the Board of County Commissioners hereby designates the week of February 15th through the 22nd as FFA Week in Adams County. We send our best wishes to local FFA students for a bright future.

In Witness Whereof, we have hereunto set our hand on this 10th day of February, in the year of our Lord, two-thousand fourteen.
