Engineer David Hook, Deputy Engineer Lee Pertuset, and Mike Hughes met with the board to discuss the Kirker Bridge National Historic Bridge Preservation grant of \$60,000.00. The county match is estimated at \$25,000.00. This grant was filed in 2007, and since then, the necessary repairs have been completed by the Adams County Travel & Tourism. The engineer has agreed to graciously decline the funding due to the county budget and because the scope of work was completed last year.

E.D. Director Holly Johnson met with the board to review the following:
Jaybird Road- waiting on the railroad
Barnes Sewer Phases I & II

9-1-1 Dispatch Director Donnie Swayne met with the board to discuss meeting with Frontier representatives pertaining to outdated equipment. Stacy Roberts met with Donnie to discuss the equipment and the next generation 9-1-1. The equipment is outdated. Ms. Roberts will be writing a proposal for the new equipment. Donnie explained to her that the issue is space, not funding.

Mr. Swayne also discussed personnel and replacing the vacated position of Jeremy Lewis. Part-time employee Chelsea Williams has been recommended for the replacement. Action on the replacement will take place at a later date.

Mr. Swayne also informed the board that the Low Band receiver went out in Seaman, so Mr. Swayne went ahead and switched it to High Band.
